We asked the following cosmetic-dermatology gurus based in New York what one could do as a quick fix, with zero downtime and 10 days left to the Oscars. Here's what they had to say:

New York, NY
Upper East Side

Dr. Paul Jarrod Frank

OxyLight Facial combination treatment will leave you looking red-carpet ready the next day with zero downtime! OxyLight integrates the most requested applications in one system, including Oxygen with Light Therapy, Micro-Current Stimulation, Oxygen Therapy, Diamond Microdermabrasion, and Biosonix Ultrasound—all-natural complements to the way our bodies work, thus providing a solution for many skin problems (fine lines and wrinkles, acne, scars, pigmentation, enlarged pores, overall skin tightening, collagen production, and lymphatic drainage to improve circulation).
